e11even is the perfect destination for exceptional cuisine.

Located at the corner of York and Bremner, e11even is passionate about food, wine and service. Both a modern and sophisticated space, it is where Executive Chef Robert Bartley delivers exceptional cuisine in a Rockwell inspired design.

The main dining room is multifaceted with areas for the business diner, intimate areas for couples and features a private dining room for up to 75 people. The space also boasts a 94-seat summer patio and a bar lounge area.

e11even features daily lunch and dinner menus in both the lounge and the main dining room and it is your perfect pre and post destination if you are attending an event at the [Air Canada Center](#) or in the downtown core. Special events and catering services are available.
